

Dear Youth group, School, or Church Family within Canada,

We are given a wonderful opportunity to sell Potatoes and GrowPuts (organic plant fertilizer) to help our ministry raise funds all year, and yours. As a ministry, would like to serve and work together with other Bible-centred ministries furthering God's Kingdom.

We get donated 50lb. or 25lb. potatoes to sell and boxes of GrowPuts 1.1lb. of 40 organic plant fertilizer balls. Enclosed are documents and pictures of the products.

Would you be willing to partner with us in selling these products for your project and our mission?

Potatoes come from Heartland Fresh Pack and 4 Seasons.

You would sell the 50lb. bags of potatoes for \$20.00. It gets split 50/50---- \$10.00 each

25lb. bags of potatoes for \$9.00. It gets split 50/50--- \$4.50 each

GrowPuts boxes (organic plant fertilizer) sell for \$20.00. It gets split 50/50--- \$10.00 each

We can deliver to the Church or a specific location and be ready to go year-round, with no minimum or maximum order. All fundraisers are for specific projects to help churches, youth groups, missionaries, and projects to help others.

All funds made for us go to help local families and beyond. At present, we work with over 1000 families in 14 languages. Building long-term relationships, share the gospel, pray with people, create opportunities for discipleship, and invite people to church. 100% Matthew 28: 18-20.

Our Growputs are all donated by Enviroclean and the Potato companies.

Thank you for your consideration.
